

PROCLAMATION

I, AMY HOWSE, Village Clerk of the Village of River Bend, Missouri, issue the following proclamation:

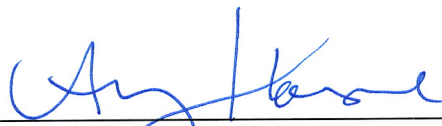

WHEREAS, a Special Election was held on November 7, 2023, which included the election of three Trustees for a one-year unexpired term. While one candidate was elected by receiving the most votes, four candidates tied for the remaining two Trustee positions.

WHEREAS, R.S.Mo. §115.517 provides the process for such a situation,

NOW THEREFORE, I call for a Special Election, to be held when such can be set, working with the Jackson County Election Board. The candidates for an unexpired 1 year term, with two to be elected are, James Hoppe, Jessica Caswell, Daniel Paul Weiss and Michael Jay Schneider.

Provided, however, should all of the four candidates, designated above, agree to determine the winners of the election by a drawing by lot, as provided by R.S.Mo. §115.517(4), such special election will not be necessary. To that end, I will provide a written form of agreement to this process to the above 4 candidates and give them 10 days to return their agreement to do so.
